

# Advancing Building Enclosures BEYOND CODE CONFORMANCE

The Seattle Building Enclosure Council (SeaBEC) is proud to announce our 2017 symposium. Our theme “Advancing Building Enclosures: Beyond Code Conformance” will focus on topics elevating building enclosure design and construction above code standards and minimums. Six hours of AIA continuing education credits and five hours of RCI continuing education credits will be provided. GBCI continuing education credits are pending.

**Date:** Tuesday, May 16, 2017

**Location:** Seattle Art Museum  
1300 First Avenue  
Seattle, Washington

**Schedule:** Registration & Breakfast: 7:00am - 7:45am
